### Program Notes

- For elementary and junior high students (Grades K-9) who will study for periods of less than one full year (September to June), please contact Global Learning for fees.
- It is the student's responsibility to meet all of the other costs associated with attending a Calgary Board of Education school (for example books and supplies, special course materials, resource fees, activities and ground transportation).
- \*\*Health insurance coverage is for the program dates as indicated on the letter of acceptance and the family may want to arrange extra insurance.
