ELL Support

Full ELL program with sheltered classes in English, Science and Social Studies to prepare ELL students for academic success

International Student Support

Our school has an International Student Co-ordinator on staff who provides academic and personal support as needed. Other school staff such as guidance counsellors and a career practitioner are also available to provide support.

Intake Dates

Students can enroll in September or January for a full year or a semester. "EM summer courses" are available to continuously enrolled students in July and August.
