

Queen Elizabeth High School

Mission | Labor Omnia Vincit (Hard Work Conquers All)

Highlights

- Queen Elizabeth is one of the only schools to offer a grade 7-12 program within the CBE.
- As a community, we focus on achievement in academics and personal development in a nurturing, relationship-orientated environment.
- Students are assigned the same homeroom teacher throughout their years at Queen Elizabeth providing students with the opportunity to develop a one-on-one relationship with that teacher. This opportunity also supports students in developing relationships with their peers in different grades. The homeroom teacher is available to offer academic and emotional support.
- Environmental Outdoor Education course puts an emphasis on physical activities requiring wise and careful use of the natural environment and provides students with many opportunities for outdoor pursuits in all seasons.
- Recently renovated, and fully equipped fitness Centre
