STUDY PERMIT RENEWAL

According to Immigration, Refugees and Citizenship Canada (IRCC):

Only some people can charge a fee or receive any other type of payment to represent or advise you on a Canadian immigration proceeding or application. These are:

- *lawyers and paralegals who are members in good standing of a Canadian provincial or territorial law society,*
- *immigration consultants who are members in good standing of the Immigration Consultants of Canada Regulatory Council.*

*These people are called “authorized” representatives. IRCC will not deal with representatives who charge for their services **and** are not members of one of the above groups.*

<https://www.canada.ca/en/immigration-refugees-citizenship.html>

As we do receive fees from you, we cannot assist you with renewing your study permit and this applies to the staff at Canada Homestay Network as well.

If you have strong English skills and follow the instructions very carefully, you may be able to apply directly using the online application process (<https://www.canada.ca/en/immigration-refugees-citizenship/services/study-canada/extend-study-permit.html>).

However, you may want to consider hiring a **Certified Immigration Consultant** to assist you. There is a fee for this service which you may consider for the peace of mind in ensuring your application is done accurately and help you avoid delays or even a rejection of your application.

For a list of local Immigration Consultants, please contact our office, visit <http://www.iccrc-crcic.ca/home.cfm> or do a Google Search for Certified Immigration Consultants Calgary.
