LIVING ARRANGEMENT DOCUMENTATION FOR INTERNATIONAL STUDENTS

***The following information does not apply for students in our homestay program through Canada Homestay Network.**

For private living arrangements where a parent will not be living in Calgary during the study period, custodianship must be assigned.

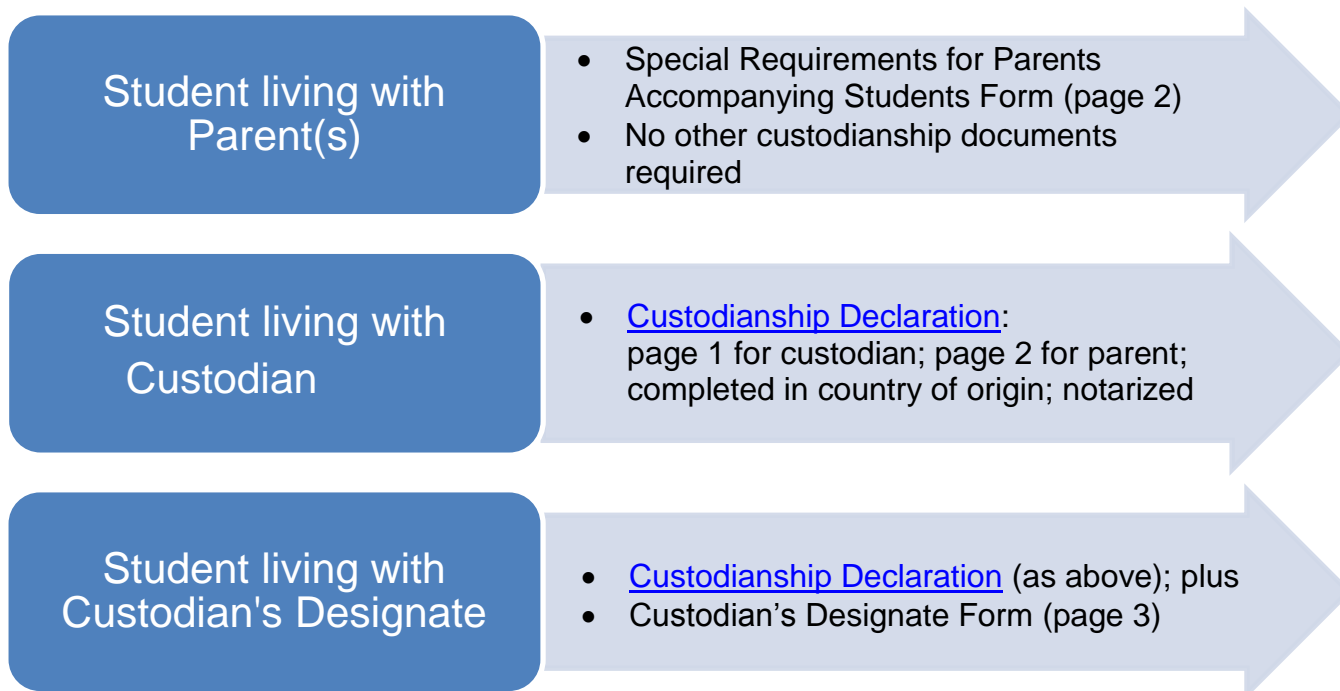

The custodian must be at least 25 years of age or older and a Canadian Citizen or Permanent Resident of Canada. This requires two documents to be submitted: one from the parent assigning custodianship and one from the custodian accepting custodianship. Both documents must be notarized by a Notary Public in the country of origin. You can find templates of both documents at the link provided.

DEFINITION OF TERMS

- Parent(s):** Student's biological parent(s) in home country.
- Custodian:** The person designated by the parent(s) to be responsible for the care of their minor child in their absence, while the child is studying in Calgary.
- Custodian's Designate:** The person designated by the parent(s) in consultation with the custodian to provide day-to-day care for the student, in the case where the student is not living with the custodian.

Please note: the word **guardian** often gets used instead of custodian. When talking about the temporary care of a minor child, assigned by the biological parent in the home country, the correct word is **custodian**.

Special Requirements for Parents Accompanying Students Form

Dear parent(s):

Based on the information you provided in the international student application form, you will be moving to Calgary with your child to live here while he/she studies. We commend you on this decision as this will provide excellent support during the study period.

Please note the following conditions:

- You understand that your indication you will be living with your child while he/she studies at the CBE means you will be living here permanently for the entire duration of his/her studies. Please note you will need to provide proof that you have lived here when you apply to extend the study permit and visitor visa.
- You understand the importance of informing your child’s school and Global Learning of any changes in living arrangement and status.
- If your situation changes for any reason and you will not be living with your child, you understand that we need notarized custodianship documents to be submitted. ***This is very important.*** Without those documents, there is no one who is legally responsible for your child’s care and well-being. To find out more about the required documents, please call our office at 403.817.7711 (dial 0 to reach a staff member).
